Intro

Verse 1

Before there was life

You were seated on high

From there You spoke time
And we were already on Your mind
Can't explain Your love

Verse 2

Without performance

You called us Your own

Couldn't afford it
So with Your blood, You bought our freedom
Can't explain Your love

Chorus 1

Ruler of everything
Worthy of all that we could bring
You are great Jehovah
All power is Yours

Chorus 2

No song we sing
Can explain Your love of me
You are Great Jehovah
All power

Chorus 3

Great Jehovah, Ruler of everything
Our Defender, You are the Most High King
Great Jehovah, Ruler of everything
Our Defender, You are the Most High King
God, You reign!

Interlude 1

Am

Bridge 1

No word good enough
No song loud enough to
Explain Your love, it
Amazes us, Jehovah
No sin strong enough
No weapon against us can
Contain Your love, it's
Alive in us, Jehovah
