[Default Arrangement]

V1, C, V2, C×2, B×2, C×2

## Verse 1

What could we say?  
What words could explain?  
The way of your glory  
Or the majesty of you name  
What heart could fathom?  
What mind could imagine?  
Your intelligence, what words  
are adequate to praise a  
perfect God?

## Chorus 1

So we sing Holy  
Holy, are you Lord  
And all the earth will sing  
We sing Holy  
Holy are you Lord  
Let all your people sing

## Chorus 2

Holy  
Holy  
Holy  
All the earth will...

## Verse 2

What could we say?  
What praise could we bring?  
To tell of the goodness  
And the majesty of our King  
What heart could fathom?  
What mind could imagine?  
Your magnificence what song is  
adequate?  
To praise a perfect God

## Bridge

Sing blessing and honor  
Dominion and power  
To the one who is worthy of it all  
Be blessing and honor  
Dominion and power  
To the one who is worthy of it all
